C. S. WILKINSON, Editor & Mgr.

Entered at the Post Office at Cedar City, Utah, as second class matter.

FRIDAY, MAR. 12, 1915.

THE RECORD'S PRESUMPTION.

IT WOULD be presumption on the part of The Record or its editor to attempt to give advice to the people of Parowan in relation to matters affecting their material progress and development, but like many other humans we are strong on giving advice, whether it is worth anything or not. Readers of The Record will remember seeing the announcement that Parowan is to have another electric light and power plant, with which to operate the pump wells, which sounds good for the progressiveness and public spirit of the place, and is without a doubt a worthy enterprise, if there is demand for the service. But here is the way the matter appears to one at this distance: Parowan already has a very nice little light and power plant, which is being run practically only during hours of darkness. In the day time the plant is idle, and the investment is not earning anything for the stockholders. Would it not be good business policy to use this idle power during the day time, and say between midnight and morning, in pumping water from the many excellent wells that can be and already have been developed in that valley, rather than to allow this plant to lie practically idle 18 hours out of the 24 and work it anywhere near its capacity only about 6 hours out of the 24? And then, when the full efficiency of the present plant is utilized and found inadequate, it will be time enough to finance another plant. In the meantime, the power site could be filed on and protected, and held until there was need for it.

This is a phase of this question for which we do not claim copyright, as it is advanced and endorsed by some of the Parowan people themselves; but it has a ring of reason and common sense about it to our way of thinking. There are so many worthy undertakings in a new country like ours that require capital to further them, that it seems wasteful to talk of investing money in any important enterprise that is not really essential, or that is premature. This money could be used to so much better advantage in the improvement of the many splendid farms of the Parowan valley, and the enhanced value of these in a year or two would more than take care of this second light plant by the time it is actually required.

A petition was circulated and numerous signed recently asking for the appointment of Attorney C. G. Y. Higgins of this place as juvenile judge of this district, to fill the vacancy caused by the resignation of Judge McShane of Beaver. Mr. Higgins is eminently qualified for the position from every standpoint, and nothing would please The Record more than to see him appointed.

UNINTENTIONALLY, no doubt, the Salt Lake papers have done an injustice to the B. A. C. basketball team in stating that they tied with the Boxelder high school team for second place in the state championship games. The B. A. C. team played them. The latter team was out of the running while the B. A. C. team was contesting for first place with

the Pleasant Grove five. The fact that the Boxelder and B. A. C. teams each won two games and lost one, does not signify a tie for second place. First and second were fairly conceded to the last two teams to be eliminated from the contest. Second belongs to the B. A. C. and the only thing that prevented them from taking first was the fact that two of their best players were disabled in the preliminary games, and further that the boys were worn out with three strenuous games in succession, which proved too much for them. The sporting editors of the Salt Lake papers owe the B. A. C. team an apology.

WE have heard a number of complaints concerning the improper working of meters in Cedar City recently, and it happens that the writer of this has had a little trouble of his own, being compelled to pay for about twice as much current the past several months as he has used, owing to a faulty meter. We respectfully suggest to the Electric company, that since many of the meters have been in use a long time, some of them may be out of order now and require regulating. The company should have a master meter with which to test out any that behave suspiciously, whether too fast or too slow, have them properly set and sealed. We understand that the cost would be only fifty or sixty dollars, and in the interest of equity we believe that this much of an outlay is justified.

WITH its issue of March 4th, the Bear River Valley Leader, the paper launched at Tremonton, Utah, by A. D. McGuire after leaving Cedar City, entered upon the second year of its existence. The leader is a tip-top country newspaper, and is filling a long felt want "in the best town in the best valley in Utah." Its Christmas edition was one of the best published in the state; each number reflects credit upon the publisher and the business men of that district. The Record offers congratulations, and hopes to see the Leader grow and flourish like the proverbial green bay tree.

ALL persons knowing themselves to be indebted to The Record, whether on subscription, advertising or job printing account, will kindly call and effect a settlement before the end of the present month, as there will be a change in the management at that time, and it is important that we have all accounts balanced with the present company before the consolidation takes place. Kindly attend to this matter now.

A Specific Against Colds.
"If there is such a thing as a speci-

fic against colds, it is to be found in the sleeping porch or the open bedroom. Next to that comes the cold sponge bath in the morning," says the Youth Companion. Be as careful as you can you will occasionally take cold and when you do you will find Chamberlain's Cough Remedy a great help in enabling you to get rid of it. Obtainable everywhere.

SALE OF ESTRAY.

State of Utah, County of Iron, ss.
In the Cedar City Precinct of said County.

NOTICE TO WATER USERS.

State Engineer's Office, Salt Lake City, Utah, February 17, 1915.

Notice is hereby given that Francis Corry, whose post office address is Cedar City, Utah, has made application in accordance with the requirements of the Compiled Laws of Utah, 1907, as amended by the Session Laws of Utah, 1909 and 1911, to appropriate one and one-half (1½) cubic-feet of water per second from an unnamed wash in Iron county, Utah. Said water will be diverted at a point which bears south 60 degrees 30 minutes east 1,470 feet from the north quarter corner of section 17, township 35 south, range 11 west, Salt Lake base and meridian, and conveyed by means of a ditch for a distance of 2,900 feet, and there used from January 1 to December 31, inclusive, of each year, to irrigate 80 acres of land embraced in the southwest quarter of section 8, township 35 south, range 11 west, Salt Lake base and meridian. This application is designated in the State Engineer's office as No. 6021.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate, accompanied by a fee of \$2.50, and filed in this office within thirty (30) days after the completion of the publication of this notice.

W. D. BEERS, State Engineer.

Date of first publication Feb. 26, 1915, date of completion of publication Mar. 29, 1915.

Miller of Parowan, Utah, who on May 6, 1911, made desert-land entry, serial No. 07870, for NW¼ of NW¼, section 26, township 33 south, range 9 west, Salt Lake meridian, has filed notice of intention to make final desert-land proof, to establish claim to the land above described, before the clerk of the District Court, at Parowan, Utah, on the 7th day of April, 1915.

Claimant names as witnesses: James E. Miller, Thomas Taylor, Ed. Mortensen and J. K. Paramore, all of Parowan, Utah.

E. D. R. THOMPSON, Register.
(First, Feb. 26—Last Mar. 26.)

NOTICE OF STOCKHOLDERS' SPECIAL MEETING.

Notice is hereby given that a meeting of the stockholders of the Southern Utah Publishing and Printing company, a corporation under the laws of the State of Utah, whose principal office and place of business is Cedar City, Utah, is called and will be held in the office of the Iron County Recorder, in Cedar City, Iron county, Utah, at 7:30 o'clock, p. m., on Monday, the 5th day of April, A. D., 1915, for the purpose of considering and acting upon the proposition of consolidating

the above named company and the Excelsior Printing Company, also of Cedar City, Iron county, Utah, the two companies being engaged in business of a similar nature, and of forming a new corporation to purchase and take over the stock of the two companies herein mentioned; and to transact such other and further business as may properly come before said meeting. CHAS. S. WILKINSON, Secretary.

Dated at Cedar City this 5th day of March, 1915.
(First Mar. 5—Last Apr. 2.)

NOTICE TO CONTRACTORS.

Scaled bids will be received by the undersigned up to six o'clock p. m., Thursday, Mar. 25, 1915, for all the materials and labor required in the complete erection of a district school building for the undersigned at Cedar City, Utah.

Plans for the same have been prepared by Cannon & Fetzer, architects, of Salt Lake City, Utah, and can be inspected at their office or at the office of Architect Randall L. Jones, or at the office of the undersigned, Cedar City, Utah.

Bids will be received on the different portions of the work as follows:

1. General contract, including everything but plumbing, heating and ventilation.
2. Plumbing, heating and ventilation.

Bids must be submitted on the blank forms provided, copies of which can be obtained with the plans.

Each bid must be accompanied by a certified check for at least five per cent of the amount thereof.

The successful bidder will be required to furnish a satisfactory surety company bond for 50 per cent of the contract price.

A deposit of \$15.00 will be required by the architects for each complete set of prints and specifications given out, to insure the safe and prompt return of same. Said deposit will be refunded if plans and specifications are returned in good order in the allotted time, after the bids are opened. And if the one securing them shall have submitted a proposal in due form; otherwise the net cost thereof will be deducted and the balance returned.

Each bidder will be required to state in his proposal the time required by him to complete the work, as well as the cost; and this element of time will be considered in connection with the proposed cost, in making the award.

All further information is contained in the specifications. The undersigned reserves the right to reject any and all bids, or to accept any bid it may deem best.

Signed, Board of Trustees, Cedar City School District No. 4, by

DR. M. J. MACFARLANE, Clerk.
Dated, Cedar City, Utah, March 2, 1915.
